

Scholarship Terms and Conditions

By submitting an application for a scholarship from Flatiron School LLC, Flatiron School UK Limited, or any of their affiliates (collectively, “Flatiron School”), you agree to the following terms and conditions:

1. Applicant Certifications and Acknowledgments.

You certify that your answers to all questions in your program application and scholarship application (if applicable) are true and complete to the best of your knowledge.

If your scholarship application leads to being awarded a scholarship, you acknowledge that any false or misleading information provided in your application may result in disqualification and revocation of the scholarship.

2. Eligibility.

No purchase or payment is necessary to apply or to be selected as a Flatiron School scholarship recipient.

In order to be eligible to apply for a scholarship, you must:

- apply during the scholarship application period, if applicable;
- be 18 years of age or older;
- have a high-school diploma or equivalent;
- not be related by blood or marriage to any owner, director, officer, member, or employee of Flatiron School, WeWork or any of their affiliates;
- not be a student who is currently attending or who has signed an enrollment agreement for a Flatiron School program or program run by any of its affiliates, including but not limited to SecureSet Academy LLC or Designation Labs LLC; and
- not be the recipient of another Flatiron School scholarship with respect to the program you are currently applying to.

In order to be eligible to be awarded a Flatiron School scholarship, you must meet the following criteria:

- you must have submitted a complete application to Flatiron School, meet the requirements of your chosen program and be accepted as a student in the program by Flatiron School. Information regarding admission requirements is available in the applicable Flatiron School Catalog.
- If applicable, you must have submitted a complete application to the specific scholarship, including any necessary supporting documentation or other requirements. Scholarship applications are deemed complete when all scholarship requirements have been received. Any application question or prompt left unanswered will be considered an incomplete application and will not be considered.

3. Scholarship Conditions.

Flatiron School scholarships provide a specified dollar amount toward the price of tuition for the scholarship recipient(s) to attend one Flatiron School program. Scholarships shall only be paid in the form of a tuition credit; under no circumstances shall scholarships be paid to students directly, including where Flatiron School cancels or terminates a program without fault by the student.

All scholarships are subject to the availability of funds and based on the satisfaction of scholarship conditions. The amount and number of scholarship awards may vary at the discretion of the scholarship review committee based upon the number of scholarships awarded and the caliber of applications received.

Unless otherwise specifically stated in a particular scholarship's separate terms and conditions, scholarship funds may only be applied to Flatiron School tuition; any fees, books, software, or other materials needed for the program may not be purchased or covered by scholarship funds. Any amount awarded in excess of a scholarship recipient's tuition will be forfeited. If your tuition charges exceed the value of the scholarship, you shall remain responsible for payment of the remainder of your tuition obligations. Students will also be responsible for any additional fees associated with their chosen program.

Without prior written consent of Flatiron School, a scholarship may not be transferred to another program once the student begins to study in their program. Scholarships may not be applied retroactively. The scholarship may not be applied in conjunction with any other Flatiron School tuition credit.

The scholarship may be forfeited if:

- you withdraw or are dismissed from the course;
- you are found to have made any false or misleading statements in connection with your application for the scholarship or the Program;
- you engage in misconduct in violation of Flatiron School's Code of Conduct or otherwise materially violate applicable policies or any agreement between the student and Flatiron School.

Scholarship recipients will also be required to sign an individual scholarship award agreement or grant letter, which may contain additional terms. In the event of any inconsistency or conflict between these scholarship terms and conditions and the terms found in the individual scholarship award agreement or grant letter, the terms of the award agreement/grant letter shall govern and control.

4. Privacy and Use of Personal Information.

If you submit an application, Flatiron School will collect, use, hold and disclose your personal information. We need to use your personal information to administer the scholarship program (to assess applicants and to contact you).

Any personal information will be processed in accordance with our privacy policy, available at www.wework.com/legal/privacy.

By submitting your application, you agree to receive email communications regarding your scholarship application from Flatiron School.
